Conflicting views

- "Sometimes we as seniors feel it is challenging to have kids running around all the time", Hanne senior activist
- "I don't think that we have the energy to do that." Hanne senior activists
- "Suddenly they think that you want to do it all the time and then you risk committing yourself too much". Martha, senior
- "Oh, you are one of the people from the house at the garden! And she continued "Tell me what are you actually doing?" The teacher didn't know anything about us!" Gerta, Senior

Conflicting views

- *"When you bring the kids there to show them an oregano plant, you need to use at least an hour to find it yourself."*
Lars, teacher
- *"Interaction? (with "the seniors over there") No, not at all. We are not allowed over there!"* Mads, Student
- *The garden is divided between the children and the elderly,*
Kim, janitor
- *Gardening has low priority compared to other school tasks,*
Kim Janitor

Learning insights

- Places & settings
- Activists & people
- Time & patience
- Relations & Social capital
- Mediators & brokers
- Seed Money does not hurt

Community Program Development ten steps

- Sketch a protocol
- Identify stakeholders
- Assess their readiness
- Map whats already there
- Map needs & expectations
- Identify action opportunities
- Draw on the evidence base
- Create alliances
- Choose intervention components
- Re-engineer your protocol
